

WORKER F2 - 315/80 R 22.5

Completing the brand-new Worker series, the Semperit WORKER F2 is a front axle tyre for toughest terrain. Gravel, sand, sharp edges – nothing will stop it from moving deep into your construction site and safely back out.

- Optimal traction and precise steering, even on challenging grounds
- Good cut and chip resistance thanks to robust tread compound
- ✓ Long-lasting casing for increased retreadability
